

## JEMDR articles featuring EMDR therapy and addictions

**Journal of EMDR Practice and Research (JEMDR)** is our field's quarterly peer-reviewed publication edited by Dr. Louise Maxfield. JEMDR is an interdisciplinary journal that stimulates and communicates research and theory about EMDR therapy and its application to clinical practice. It is an EMDRIA member benefit to access the latest publications in this journal! Log in at <https://www.emdria.org/publications-resources/journal-of-emdr-practice-research/> to view.
